Hi Misty,

There probably needs to be a motion allowing this.

Hi Misty,

If we did a council motion for the full amount, how would we be reimbursed for the 2/3 that we are not covering.

Please advise.

Hi Misty and Conrado,

Please see below for LADOT's response below. From their estimation, *"if the Council Office is providing the funds for the additional tile, then the money can be transferred in the form of a Council Motion to increase Axiom's contract to add the tile."*

Conrado—my follow up question is are we able to move forward with a Council Motion?

Thanks,

Hi Alain,

I was speaking to my supervisor (Carlos) and if the Council Office is providing the funds for the additional tile, then the money can be transferred in the form of a Council Motion to increase Axiom's contract to add the tile. The amount should include the tile cost and a 10% contingency.

Also, was there a follow up document to the attached? I'm thinking there

should've been a permit issued for this project otherwise BOE wouldn't have gone out to bid. Can you check and follow up?

Thanks!
